

THE FOLLOWING POINTS SPECIFICALLY ADDRESS YOUR ROLE AS A COACH:

Everyone Plays – All coaches need to examine their adherence to this rule and **ROTATE** all players through all positions and be certain equal playing time is given during every game whenever possible. No player should play 4 quarters unless everyone has played at least 3 quarters.

Positive Coaching – Please remember that your words and actions are affecting everyone at a practice or game. Generally speaking, less coaching during the games is best and use positive comments only.

Sportsmanship – It is up to you to set the tone for your team. Be a good role model during the games and keep in mind most kids remember having fun and playing – not who won the game.
